### Can You Feel It 2009

It's hard to believe the show has come and gone.

Congratulations to all our dancers who took part. Every group has worked hard in preparing for the show and it was really rewarding to see it all come together. Particular praise should go to our youngest dancers (including some mice & sheep!) who didn't freeze in front of the audience and bright lights - You were all amazing.

Its been a very busy last term, with so many contributions from not only the LMSD team, but also the LMSD community of parents & parent helpers. As a school we are endeavoring to give the children an authentic stage experience, but we do rely upon the goodwill and support of so many people. Once again thanks to everyone who contributed— It is nice to celebrate our shows as a truly community event. Already we are looking forward to start preparing for the next stage show as well as more BATD exams.

### Show DVD's

Show DVD are still available for order, but not through LMSD. Parents interested in obtaining a DVD should buy online at

More details to follow...

### LMSD @ Last Goes Green!

As of January we will be asking parents to renew their contact information sheets. We will also be asking for an email address. We want to reduce the amount of paper that we are using to send out information to parents. There are a couple of advantages to using email. Should you misplace the piece of paper it will still be in your email inbox. We will also ensure that any notices will go on the new parent notices page of the website, [www.lisamason.co.uk](http://www.lisamason.co.uk) Clearly not everyone has access to email or internet, so we will continue to hand out paper versions to those who are unable to collect them electronically.
